

ROOSTER DOODLES

January, 2016

Face2Face

We're less than a month away from our second Face to Face Encounter to be held at Rancho Bernardo Community Presbyterian Church the last weekend in January and the first weekend in February. Brochures and applications are available for you to share with potential Pilgrims aged 60+.

Team meetings have begun and will continue on Saturday, January 9th (in Lower Fireside room at RBCPC), the 16th and 23rd of January. Since we have most of the practice talks ahead of us for those 3 sessions, all meetings will be from 8:30 to 4:00 p.m. Team members will be contacted for potluck lunch items to contribute to the table.

Not a member of the team, but would like to help out? Here are some suggested ways you can participate:

1. We need your prayers that God will oversee all the details of planning and execution; that He will clear the calendars for every person who would benefit from this encounter; and for protection of everyone's health during the winter cold and flu season.
2. Contribute AGAPE to this Encounter. Ginny Jackson is coordinating this important aspect of the experience. Please contact her at gvbjackson@gmail.com to offer your items.
3. We need one more reunion group to volunteer to provide the Encounter lunch on the first Friday session – January 29th – either financially or the actual lunch itself. The reunion groups of ladies from the Clairemont and Coronado areas have volunteered for the two Saturday lunches and the King's Lunch will be covered by RBCPC. Please contact Cindy Chappell at cchappell23@yahoo.com to advise of your group's willingness to participate.

And finally, mark your calendars for Candlelight on Friday afternoon February 5th and Closing on Saturday afternoon February 6th(details in calendar below). Also, the F2F2 Next Day will be Saturday, February 13th. It will be held at Hope UMC and will include our usual potluck meal. Please join these events to show your love and support of our newest Pilgrims and to welcome them to the community.

Barb Bennett, F2F2 Lay Director

De Colores and Happy New Year! I hope everyone had a wonderful Christmas celebrating our Savior's birth.

There's a lot happening in the Walk to Emmaus Community! We're preparing for the second Face to Face Encounter starting January 29th and also preparing for the next set of Walks in April. We would love for you to get involved! Please reach out to me, someone on the Board, or one of the Lay Directors to let us know that you would like to serve.

The Board is looking for someone to join us as a Communication Coordinator. You wouldn't need to attend the meetings unless you would like to. Please contact me if you would like more information jfloydsd@aol.com.

I would like to thank Diana Hall, our outgoing Community Lay Director, for her many years of service to the Walk to Emmaus Board. I would also like to thank our other Board Members who are going off the Board for their service to our Community.

AGAPE FOR FACE TO FACE

Hey Everyone, now that your Christmas shopping is done you should have a little time to put together some AGAPE for the Face to Face Encounter in January. Every piece helps. Thanks for your support.

Children are not appropriate for Candlelight or Closing but are always welcome at Gatherings or other Community events.

All good things come to an end to make room for rebirth. As We look forward to all the Blessings God has in store for us in 2016 personally or in our community I cannot help but thank God for these Blessings of these past years in service to you as the Community Lay Director. It is with mixed emotions that the torch is passed to Joyce, your new CLD. While I have no doubt that she will be awesome and take us on to be an even stronger community, I think of how God has worked through this Board and our Community. I am very honored to have served you, the SD Emmaus Community. Working with this spirit filled group of servants giving their all has been a major highlight in my life. I am so humbled by the work and dedication this board has shown to further the work of Christ. I can say without any doubt that "Christ can count on them" to take His love and word to the world.

So as this chapter ends I will serve our community where needed and see where Jesus is calling me.

DeColores
Love and Blessings
Diana

The Emmaus Board meetings are changed to:
The second Thursday every other month starting January 14th.

Dear Emmaus Community:

Our Dave Walker clan is still being blessed by your part in Dave's celebration of life. I was especially blessed! Thank you for being such a joyful part of the service and for all your prayers and support. God's counting on you all and I am counting on Him. Peace and Joy, Jan Walker and family

Prayer Vigil for the upcoming Face2Face Encounter

Similar to the Emmaus Walks, a Prayer Vigil is being set up for the Face To Face Encounter. It will be set up in half-hour blocks of time but you are welcome to sign up for as many blocks as you wish. Prayer support is always appreciated for the Pilgrims and the Team. This is a great way for you to support the team in this new endeavor. The following URL will take you to the site, then look for San Diego:

<http://www.3dayol.org/Vigil/GetComm.phtml>

After signing up you will receive an email confirmation.

Face2Face Team

As some of you may know, teams for Face to Face are made up of both men and women as Pilgrims for these Encounters are both male and female. Your team has been meeting in preparation for the Encounter and we appreciate your continued prayers. None of us take credit for how God has directed us and we are grateful to serve Him by serving the Pilgrims.

Face2face Pilgrim Applications

The application has been revised to include the "Next Day" Gathering information.

Foot Washing Comments Requested

Did you know that every Walk to Emmaus Community doesn't do Foot Washing? The San Diego Walk to Emmaus Board is looking at this part of the 72 hour weekend and trying to decide whether or not to keep Foot Washing in our program. If you have strong feelings either way (loved it/keep it or didn't like it/change it) please email me. The Board thanks you for your input! Joyce Floyd; jfloydsd@aol.com

From the Registrar

Your Lay Directors are hard at work preparing for E-107 and E-108. Thank you to all who have submitted Team Applications and fees in anticipation of a spring season filled and powered by Jesus! We need everyone to be part of these life changing weekends. You can find both Team and Pilgrim applications on the San Diego Walk to Emmaus website. Once completed, please return them by email to sdemmausregistrar@att.net or mailed to us at P.O. Box 502385 San Diego, CA 92150-2385. Now is the time to talk to someone you'd like to sponsor so they can experience the love of Christ during the 72 hour weekend.

Barb Bennett, Registrar

In Memoriam

It is with sadness that we report the passing of our sister in Christ Rhonda Dixon, who went to be with the Lord on January 5th. Rhonda was a Pilgrim on F2F last summer. There will be a memorial service at Nestor UMC (her home church) on January 30th. Contact the church for the time.

E108 Lay Director Message

Now is the time to begin thinking about who to sponsor as Pilgrims for the Emmaus Walks coming in April. But as we are asking the Lord for guidance about whom to sponsor please make sure to pray for the selection of the teams. If you want to volunteer to work on either the Men's or Women's Walks make sure to fill out a "team" application so we know of your interest. There are still some unfilled positions for both Walks. The applications are available at every Gathering and on this website. See you soon!

Blessings, Charlene Patterson, E108 Lay Director

The Power of the Reunion Group in Sponsoring

At a recent gathering, a show of hands indicated most are grouping. The service card we use to guide us in our Reunion Group calls for us to share with each other the three foundational elements of Piety, Study and Action. What could be a better use of that time with the Holy Spirit, than to make disciples by making sponsorship our number one action plan. Given the breadth of relationships among our Reunion Group members, the first-hand knowledge of the value of a WTE Weekend and the group discernment of potential Pilgrims, we will be better in identifying, encouraging and sponsoring.

Resolve to Join a Reunion Group in the New Year.

There are several Reunion Groups already meeting throughout the county. Think about joining one of these groups or contacting some of your Emmaus brothers and or sisters and starting a new group in your area. For further information contact Kathy Wesley at: katknits@cox.net.
